

Dear Parent/Guardian:

My STEM Help Inc. (together with its directors, officers, staff and volunteers, “We”, “us” or “MSH”) provides an online service offering interactive help sessions to students. We provide one-on-one guidance to students to address any STEM-related questions they may have. We will conduct these sessions through the third-party video platform Zoom ([www.zoom.us](http://www.zoom.us)).

This form seeks a parent or guardian’s written consent for your child (of under age 13) to sign up as a member at [www.MySTEMHelp.org](http://www.MySTEMHelp.org), and to utilize the third-party video meeting program Zoom for virtual help sessions. We are committed to keeping the young people we serve safe. MSH will actively monitor all help sessions on Zoom with a minimum of two MSH tutors or staff present during each session, however a breakout room may have only one tutor helping one student at times. All contact information such as emails and phone numbers will be kept private from other students. Please be aware that third-party applications collect different information about their users and have their own privacy terms and conditions to which members must adhere. Please review Zoom’s terms and privacy policy carefully before registering your student. While we rely on Zoom services to conduct our help sessions, we are not associated with Zoom and cannot be responsible or liable for Zoom’s services or actions. We do our best to provide high quality, cost-free academic support to your students. By giving your permission below, you understand that our tutors are not licensed professionals, and agree to release us from any liability and won’t pursue any legal action against us.

Further, all members must comply with the MSH terms and conditions and privacy policy, as published on our website.

All communication between MSH and your child will be either sent directly or copied to your email address. Emails will contain important information such as confirmations and links to the Zoom meetings. Please note that it is your responsibility to relay any information to your child in a timely manner such that they can attend the scheduled help sessions.

Please sign the attached consent form, and return the signed copy by email at [mystemhelp@gmail.com](mailto:mystemhelp@gmail.com) before your child signs up any help session at [www.mystemhelp.org](http://www.mystemhelp.org). Thank you for your cooperation and understanding.

As the Parent/Guardian of the following student, I give my permission for the student listed below to register as a member at [www.MyStemHelp.org](http://www.MyStemHelp.org) and to participate in interactive, online help sessions provided by [www.MySTEMHelp.org](http://www.MySTEMHelp.org) via the web-based video meeting platform Zoom.
